## Fidelity reserves the right to change the pricing schedule that applies to the account without prior notice if warranted by account activity or other factors.

**Before investing in any mutual fund, please carefully consider the investment objectives, risks, charges and expenses. For this and other information, call or write Fidelity for a free prospectus. Read it carefully before you invest.**

<sup>1</sup>Commission and fee waiver eligibility will be determined automatically by aggregating assets and trading activity of eligible retail and certain non-retail accounts included in the periodic statement that you receive from Fidelity. The accounts included in your statement will be considered your household. To see exactly which accounts are included in your statement, refer to the most recent statement you received from Fidelity. You may also view your statement online at Fidelity.com or call a Fidelity Representative for more information. Eligible Fidelity accounts generally include those that are maintained by Fidelity Service Company, Inc., or Fidelity Brokerage Services LLC (such as 401(k), 403(b) or 457 plan assets); or that are held in Fidelity Investments Insurance Company accounts, Fidelity Portfolio Advisory Service or Fidelity Private Portfolio Service® accounts other than those assets maintained by Federal Savings Bank (FSB). Fidelity may include other assets at its discretion. You may authorize Fidelity to consolidate accounts held by you or your immediate family members (and/or accounts reported to you or immediate family members on Fidelity account statements) into an aggregated relationship household, which may entitle you or your immediate family members who reside at the same address to a more favorable commission level. Commission schedules will be upgraded across household accounts two business days after qualifying based on a daily review of trading activity, and monthly after qualifying based on a review of household assets. All trading activity is measured on a rolling 12-month basis. Fidelity will conduct periodic reviews to confirm that your household continues to qualify for its commission schedule and may change your commission schedule at any time based on these reviews. For instructions on how to receive pricing benefits for assets and trades currently associated with separate customer reporting statements, please go to Fidelity.com/goto/commissions or call a Fidelity Representative at 800-544-6666. Most customers receive only a single customer reporting statement from Fidelity and do not need to take any action.

<sup>2</sup>Commissions will be charged on a per order basis. Orders executed over multiple days will be treated as separate orders for commission calculation purposes.

<sup>3</sup>Commissions do not apply for "exercise and sell" transactions for stock option clients. Consult your Plan Highlights document for appropriate commission schedule.
